Greenham Common Women's Peace  
Camp (1984-1986)

30 10 30

# TO ALL MEN

This gate (Green) was set up as a women only rest gate. Male visitors and press can visit any of the other gates at the base, but if you have to wait here for someone, could you please wait in the road.

We ask all men to respect this women only space. THANK YOU
